

# GOOD AND EVIL ALIEN SPACE CRAFTS

**Age** 3 to 6 years

**Difficulty Level** Easy

**Theme** Space and science

**Who's crafting?** Parents with kids

This time we have a set of good and evil alien space crafts. Do you often also wonder whether there is other life out there in the big, wide universe? Would you like to get in a spaceship yourself and land on the moon or other foreign

planets to look for aliens? Make our various aliens and think up your own story: How do they live on the moon? Do the good aliens fight the evil aliens, and who will win? Let your imagination run free!

## MATERIALS

- Download & print the templates (click below)
- An empty cornflakes box (or craft paper)

## TOOLS

- Pritt glue stick or Pritt PVA Craft Glue
- Scissors

## RECOMMENDED PRODUCTS

## TIPS & TRICKS

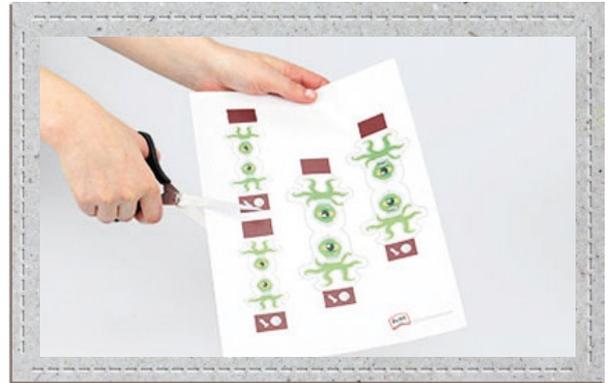

To make the figures more stable, you can stick them onto some thin card or an empty cornflakes box before cutting them out. Then they will stand up really well.

# GOOD AND EVIL ALIEN SPACE CRAFTS

First, cut out all parts of the good and evil alien space crafts along the solid lines.

To make the aliens, fold the templates down the middle and fold the coloured blocks inwards. The figures are now triangular. Stick the two bottom tabs together using Pritt glue so that the aliens can stand up.

## AND THAT'S IT!

Have fun making and playing with your set of good and evil alien space crafts! If you would like to make some cool robots, astronauts and a matching moon landscape as well, take a look at our „How to make a robot and a space adventure“ craft project! And you can explore other foreign planets with our rocket too.
